

## 2012 Ministry Goals

*Sam Brown*

- Personal Ministry Goals:
  - Read 12 books (1 book a month) related to pastoral ministry. (youth ministry, preaching, biblical counseling, theology, etc.).
  - Attend at least two Bible training conferences for the purpose of growing my relationship with God and developing my ministry gifts.
  
- Pastoral Staff Goals:
  - Attend all weekly staff meetings and participate in discussions for the purpose of serving fellow staff members and supporting their areas of ministry responsibility.
  - Support Pastor Kraig in any reasonable way that he needs or requests. Communicate early and often with him on youth ministry matters, personal schedule changes, etc.
  - Once a week spend 30 minutes outside of the normal staff meeting to pray for Pastor Kraig, Pastor Dwayne, and Jerry Schwenke.
  
- Youth Ministry Goals:
  - Continue to train and disciple the volunteer youth staff through prayer, regular meetings, book studies, effective communication, and service opportunities.
  - Grow to know every teen's name which comes to our regular Youth Ministry events. Meet their family and visit their home.
  - Provide safe, purpose-minded activities (evangelism, fellowship, service, and worship) for the Youth Group that supports our theme which is to "know God and walk with Him."
  - Communicate clearly and regularly with parents on the events and state of the Youth Ministry. This will happen through bi-monthly meetings, email, and ministry announcements.
  - Create and maintain a youth ministry devoted web page on the CLBC Ministries website.
  - Develop a system of "teens greeting teens" at regular services and tracking youth group attendance.
