

## **2012 Ministry Goals**

*Kraig Keck*

- **Improve Pastoral Skills**
  - Read a book on preaching as continuing education and implement skills learned.
  - Develop our annual theme, To God Be The Glory, through the various preaching series.
  - Make progress on D.Min.
  - Work with other members of the pastoral staff to speak more often.
  - Work with Jim Stephens to make his internship beneficial.
  
- **Improve Shepherding**
  - Grow to know every member and most regular attenders by name.
  - Continue to blog and consider ways to give it more publicity in our church.
  - Develop a counseling forum for those interested. Get together on a scheduled basis and discuss case studies, topics, books, and articles.
  - Continue to encourage each church member to be growing in their skills and commitment to personal evangelism in all areas of life—possibly through a Sunday night series or the Summer home Bible studies.
  
- **Conduct Board And Committee Responsibilities With Excellence**
  - Initiate a discussion with the deacons about 5 year (2013-18) and 15 year plans for CLBC.
  - Finish church constitution proposal and hold church vote.
  - Support finance committee as they consider a contingency fund that is part of the budget.
